

# Junction box

## LAD 2B

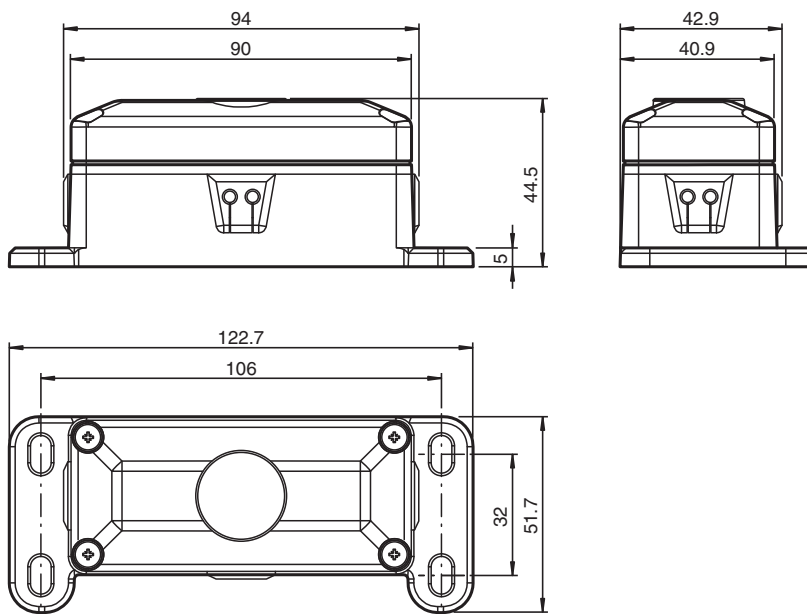

- Compact design
- Degree of protection IP65
- impact-resistant plastic
- MODULE 2 and 3 PCB can be installed

Junction box

### Dimensions

### Technical Data

#### General specifications

|         |    |
|---------|----|
| Marking | CE |
|---------|----|

#### Mechanical specifications

|                      |                                                            |
|----------------------|------------------------------------------------------------|
| Degree of protection | IP65                                                       |
| Connection           | screw terminals , lead cross section 2 x 1 mm <sup>2</sup> |
| Material             |                                                            |
| Housing              | PA 6 GF30<br>black or light gray                           |
| Mass                 | approx. 86 g                                               |
| Dimensions           |                                                            |

Technical Data

|        |        |
|--------|--------|
| Height | 52 mm  |
| Width  | 123 mm |
| Depth  | 45 mm  |
